

# STONE PADDOCK

## BY PARITUA

### HAWKE'S BAY ROSÉ 2021

#### WINE DESCRIPTION

---

##### Wine Notes

Aromas of plum blossom and raspberry sorbet. The palate is soft and elegant with flavours of strawberry and cream hints of toffee apple finishing with a crisp acidity.

This Rose is a great summertime wine, succulent and refreshing drinking from late 2021. It is best as a young wine, lightly chilled, as aperitif or with seafood white meat and salad dishes.

---

##### Viticulture

Grapes for this Rose were sourced from different parts of our Bridge Pa Triangle vineyards. Harvested at optimum ripeness, Merlot and a small amount of Cabernet Franc varieties were used to make this Rose. Spur pruning and excellent fruit exposure produced clean, ripe fruit with great concentration.

---

##### Winemaking

Destemmed grapes were transferred to a basket Press. a short period of soaking then pressing was enough to colour the juice to a pale pink. Clean juice was run off to a separate tank to ferment at cool temperatures to retain great fruit flavours and reduce phenolics. The wine was then filtered for bottling late 2021.

Alc. 12.5%  
Standard Drinks 7.4
